TIA SWEETS' LOVEABLE BOOTY

Some of us gals are blessed with nice boobs, some are blessed with good looks, and some are blessed with a nice, round, fuckable booty. Guess which I have? That's right all three, but no one has yet fucked my immeasurably fuckable booty. That's something I could be saving for you. But you'll have to wait to find out. You will wait, won't you? It'll be worth waiting for.

Yukmouth

Oh yeah, that was good stuff. And good to be stuffed with a nice big cock. But now that you've had a good look at my bountiful booty, is it something you want to tap? Is it something you want to lick, or stick your fingers into, or even shove you rock hard cock deep into it until I scream at the top of my lungs and beg for more. Huh? Is that what you want? Well, is it?

Ring Ring...

BOOTY CALL FOR PINK AND ASHLEY

I have a special ring tone set for Ashley's call so I know it is her. And usually I know what it's for. It's our booty call. Two special rings for a special friend that wants to see me. Actually, who wants to fuck me. And I want to fuck her back. I can't wait for her to get over here, and I can't wait to lick her.

I'm glad that Pink wasn't busy. I just felt really horny and needed someone to get me moff. It's really a lot of fun just to do some light playing around, instead of some cock pounding me into submission. Pink's so sweet and takes her time. Even if we just take the time to diddle ourselves and each other, that's always good. I love her touch and she makes me feel so good. Kinda mmm,mmm, good.

Dear editors:

I gotta tell you about this booty call I got last month from this chick I had been banging. We did the straight stuff, You know, sex in the bed, on the floor, in the car. All nice and a little adventurous, but it was always just giving head and fucking. And we always did it during normal hours. Usually during the late afternoon after she got off work and if we did it at night, she'd always get up and leave by 10 pm saying she had to go to work the next day. But I'm not complaining here.

One Friday night she had canceled our movie date a couple days before, but when Friday night came around she called me about nine and said she'd like to see me at midnight. Well, I though this was all a little out there, but I'd do anything, anytime for a little booty.

I got to the motel right on time. It was in a bit of a seedy neighborhood, but the building itself was okay. I went to the room and knocked on the door. She answered wearing a withe wife-beater, white cotton panties and knee-high athletic socks. Quite different than the stylish chick I had been banging. Somewhat reluctantly I entered the room and she closed and locked the door behind me. Giving me a quick kiss on the cheek, she walked over to the bed and sat down.

Before moving, I looked around and saw a bunch of garbage bags and things laid out on the dresser: lotions, towels and some soft drinks. On the bed there was a plastic painter's sheet laid over it. She motioned me to come over and I did, stopping right in front of her. Without saying a word, she unzipped my pants and pulled out my willie. It was already semi-hard from fright and anticipation. My pants and boxers fell to the floor and she immediately started sucking me.

She's done this before, but not with this setting and such enthusiasm. She stopped sucking and stood up taking my clothes off and then hers. She walked over to the dresser and got the bottle of baby oil. I watched her come back, get on the bed and straddle me. She squirted oil all over me and then all over herself. Bending down she smeared the stuff all over us and within a few seconds, slid off laughing, and I laughed, too.

She motioned me to come over and I did, stopping right in front of her. Without saying a word, she unzipped my pants and pulled out my willie. It was already semi-hard from fright and anticipation.

Pulling me on top of her she squirted more oil on my back and all over me. I was really enjoying this now, especially feeling all the attention that her hands were giving my body. I mentally eased myself into the situation and really got into it. She was really cool about things and I have to say we

had just a fucking fun time. There was a lot of slithering back and forth and it was very sexy.

We finally finished about three in the morning adding out cum juices to the plastic sheet. We jumped in the shower and it was even more fun trying to get all the oil off ourselves. That took over and hour and I'll have to tell you about that in another email. We dressed and then threw everything, the bottles, the towels, the soft drink cans and everything else into the middle of the plastic sheet and rolled it up and put it in garbage sack. We had a lot of fun and didn't leave a mess. We just dropped it into the dumpster on our way out.

Hey Booty Call mag,

Here's a true story you might enjoy sharing with your readers. About two weeks years ago I got home at twelve thirty, like I normally did. There was a note for me on the kitchen counter. It was from my girlfriend, Serena, telling me to find her in the basement. She said if I didn't then she was going to move back with her mother in Buffalo. I re-read the note and now dazed and confused a strange thing was happening. My dick started getting hard but I couldn't figure out why that was happening

I tried to pull myself together and I went down stairs to find her. I decided I would put it in her. Then I would tell her how hurtful she had been. I would tell her that she was insensitive for constantly cheating on me and leaving me when I was grieving over family.

I turned the basement light on, went down the stairs and eventually found her in the storage room. There wasn't much there. Just a couch, a bed and a picture of some dogs playing poker that once hung in my dorm room years ago. I had used this is my man cave for a few years. Serena was on the bed, laying back on the pillows with her knees up. She was completely naked as was the 40 watt bulb that tried to light the room. Her eyes were big and her lips were pouty.
I stood in the open doorway looking at her, waiting to hear what she had to say. She said. "I'm just going to lie here and let you do what you want to me. Anything you want, baby."

Without saying a word, I took off my pants and walked over to the bed. My cock was at attention and I pulled her head over and put it in her mouth. Deep. I kept it in there and told her to suck it good. Her saliva dripped down my balls and then down my legs. I put my hand on one knee and pulled it down so they came apart. I stuck a finger, then two, then three in as she sucked me even harder. Then she stopped and rolled onto her stomach, putting the two pillows under her hips raising her butt into the air. She

wanted me to go there next. So I slobbered on it, licked it good and thorough. She groaned awkwardly and bit down on the sheets as my cock penetrated her anus.

I held it in there for a few seconds so she could relax her muscle and then I started pumping faster. She screamed softly at first and then bit down on the sheets to muffle and more. Finally I came in her ass with three or four hard shots in the butt.

I kept my cock in her ass while I rolled her over with me still inside and rubbed her clit while she was on top of me until she came. My cock finally went limp and she got off me.
We heard a rustle in the corner and saw a mouse scurry across the floor. I grabbed a flashlight and tennis racquet and ran to annihilate it.

– Gregory

To the editors,

This email is about sharing. And this is how it went... We were in Chicago for the weekend from Indy and were feeling pretty frisky as the drinking and the night wore on. The walk to our hotel went quickly as we discussed how our sex play would go. There's the three of us, Jenna, Brian and me, the instigator. Entering the hotel room, Jenna wasted no time kissing me hard and pulling our friend within her hug and kissed him lightly on the lips. Brian and I groped Jenna's body, feeling her tits, ass, and whatever else we could touch. I heard a zipper come down and saw Jenna fish out Brian's hard cock. As she turned to him, I removed her blouse and undid her skirt. Brian's pants were around his ankles and he had thrown off his shirt. Jenna sucked on each of his nipples and fondled his cock as I knelt behind her.

I leaned forward to kiss and lick her ass as my fingers roughly felt their way to her soaking pussy. Brian sat on the edge of the bed and Jenna leaned forward to begin licking his cock and balls, slowly stroking him up and down. I put my cock next to Jenna's cheek, stroking myself slowly, watching as she sucked Brian's cock between her moist lips.

Jenna's sucked my big cock, then Brian's and alternated between the two dicks in front of her. She pulled both cock heads between her lips and licked each of us simultaneously as she pleasured us with her hands, tongue, and hot wet mouth, alternating between our hard cocks.

Jenna plunged her fingers in and out of herself as she panted out loudly. Jenna was pumping her pussy so hard as she furiously sucked our cocks. I thought she would explode. Then she blurts out that she needs a cock in her pussy, now. I quickly knelt behind her, spreading her ass cheeks as I lined my cock up to penetrate her dripping pussy. Jenna was greedily sucking on Mike's dick. Jenna was yelling at me to fuck her hard, her lewd requests snarled at me between her rapid sucks on Brian's cock.

Brian was propped up on his elbows watching Jenna's cock sucking talents. I could feel Brian about to cum all the way through Jenna's body as his body tensed for the orgasm. I picked up the pace of my fucking to match Jenna's sucking. Then, as Brian was about to cum, Jenna blasted out a scream to awaken the neighbors as she came just ahead of him. Finishing him off with her hand I pushed my cock in one last time as I exploded my load inside her sopping wet pussy. Now, people, that's how it's done.

It's not every day that I want my butt fucked, but when I do I want the guy to remember it. That's because I take time to properly cleanse and perfume my butt, so when he goes back there, he'll remember my scent and the special thing I've done for him. Then I'll work those muscles and get them into fucking shape before he sets even one-half inch into my back door. But none of that is going to happen until he gets the best blowjob he's ever had, either in real life or on the set!

Sometimes at night, I dream of you watching me fuck and suck someone just so you can watch. I bet you would get a hard on just thinking it. Then you would have to do something about it and I would be there just to help you get off. I would take your hand away from your cock and replace it with mine, and then with my mouth, and then with my pussy, and then with my fine ass. And your huge cock would be deep inside me and I'd be screaming to make me cum, and when you did, I'd gush sweet rose-water scented juice on you.

I try to please my partner in every way possibleWhen it comes to cumming on my face, I've learned to be okay with it for the camera. Real life is another strory I'll tell at another tijme. But when it's time for the money shot on my face, I'll get him almost there by using my mouth or hands or whatever else his cock is in and then I'll get into position. I always make eye contact with him and smile really big to let him know that I'm ready for him. Sometimes I'll talk dirty or egg him on with sexy comments, or say "Oooooh, baby!" and tell him that I can't wait to taste his cum on me. Then I make a face like the one on the left.

WE’RE ONLY FRIENDS

Today, Hailey was feeling he libido rise. She needed a cock. Her classes were finished for the day and her microwaved dinner was barely palatable. But her pussy yearned to be touched and played with.

Going away to college is a new experience for every freshman. Through the years, friendships are developed. Some last only a few hours; some may last a few month or years; while others are for a lifetime. Hailey and Aaron were good friends and shared a few classes together. They flirted harmlessly at first and then decided to become lovers. Since each lived in a dorm, there was very little privacy so they sought more private venues for romance. Today, Hailey was feeling he libido rise. She needed a cock. Her classes were finished for the day and her microwaved dinner was barely palatable. But her pussy yearned to be touched and played with. But not by herself. Ten in the evening and she was restless. She drove to a local college hotel and called Aaron. Sleepily he answered and she asked if he would meet her at the hotel. She had a surprise for him. Aaron dorm was just a few blocks away and within twenty minutes he was at the door.

Hailey was quite enjoying all the attention Aaron was giving her. Over the last two hours they had been in a constant state of sexual arousal. They went through their usual rounds of sex. She blew him, he ate her pussy, he fucked her missionary, then from behind. They were taking a little break, lying on the bed. Aaron was spooning her, gently massaging her back and shoulders, rubbing her neck with both his hands. His cock, slightly hard, was lying in the crack of her ass, not rubbing so much as just touching her, gently. His lips started to lightly kiss the back of her neck. He was such a good friend. It has been awhile since someone had touched her so softly and was so patient. She pressed her butt back slightly, and felt his cock stir a little. It was now rubbing her own the crack of her ass. That felt good, she thought. Aaron continued to move up and down her butt, slowly. Meanwhile, Aaron was continuing to massage her neck, back, and shoulders. She was at peace, but his dick was rubbing her ass, and it felt good. But it was starting to arouse her again, in a different way then ever before. As she concentrated on the feeling, the rubbing had stimulated the nerves around her anus as never before.

These were feelings she had long suppressed. She had attempted it a couple times with no success. Now those early sensations were stirring again. No one had successfully entered her ass. Several lovers had tongued her there, and that had felt good; and another attempted to enter her, using lots of lube, but she was too tight and didn’t want to hurt her. Unfor-

He entered her about an inch, and then rotated his fingers. Aaron now pushed the two fingers in more. And then he pulled them out, slowly.

tunately, another also tried but he just pushed his cock in all at once, and the pain was too much for her to handle. Now these thoughts were creeping into her head again, and Aaron's semi-hard cock was rubbing against her butt hole. It had always felt good. Aaron was nibbling her ears, and his body had moved slightly upwards. This caused the head of his penis to enter her ass, slightly. It felt good. Aaron seemed unaware that he was now in her ass. He continued to massage her neck and back, and kiss the back of her head while he continued to rock against her butt. Hailey felt comfortable with what Aaron was doing to her, intentionally or unintentionally. It felt good, having the head of his cock inside her ass. She smiled, as she felt little bits of pleasure from having him inside her.

When he realized where his penis was, he suddenly stopped rocking and moving against her. He started to move backwards, but Hailey pressed her butt into his pelvis, keeping his cock inside her. Holding him there, he told her that he had no lube on his cock or on her ass. Memories of her previous experiences flashed through her mind but she didn't want him to leave her ass. Aaron had to exit it briefly to get up and get the bottle of lube she had brought. He poured what seemed like a large amount on his hand, and quickly applied it up and down his cock. He poured more into his hand and started to move his hand to her ass. But before he did this, his head moved down between the crack of her ass, and Hailey felt his tongue start to rim her ass. Hailey thought that it felt so wicked, but it also felt so damn good.

After a minute, Aaron then replaced his tongue with a finger, then slowly pushed it into her ass. Now his entire finger was in it, Hailey continued to enjoy the sensations, new sensations that she had never felt before. He whispered into her ear that he was going to push a second finger inside. Aaron pressed two fingers, side by side, slowly into her ass. He entered her about an inch, and then rotated his fingers. Aaron now pushed the two fingers in more. And then he pulled them out, slowly. He was watching Hailey's face, which continued to smile from the sensations in her ass. He continued to finger her ass, moving slowly in and out. Hailey continued to smile, and he could hear slight moans every few seconds. He pulled out his fingers, and moved back behind Hailey, lying next to her, spooning her. He moved his cock against the crack of her ass. He then placed the head against her asshole.

Hailey responded pressing back a little. She could feel his cock start to enter her. It still felt good. Hailey squeezed downwards and pushed back against Aaron. She felt his cock move inside her more. About an inch inside Aaron takes his time waiting for Hailey to get comfortable with the feel of his cock inside her. Hailey was already comfortable with his dick inside her, and she wanted to feel more of him inside. She pressed downwards again, and pushed against his pelvis. She

She was rocking him hard, banging harder against his cock, finger deeper into his butt. Aaron rolled into his spasms bucking like the bronco rider jamming his spurs into the sides of his steed.

could feel her sphincter muscle relax even more, opening up wider and wider this time as his cock slides into her ass hole her more. Not waiting this time, she pressed against him again and pushed, and his cock slid more inside her.

There's now about four inches of cock inside Hailey. This was feeling so good she thought. She pressed down and pushed. She did this several more times. Aaron did not move at all, keeping still. She remembered that creep who had pushed his cock inside her ass, and started to fuck her like he was in her pussy, but Aaron just let her start rocking, slowly at first. Hailey was rocking against Aaron. It felt good. It felt different. She gathered her senses and felt his balls slapping against her ass cheeks. She reached back between her legs and grabs them, adding new waves of pleasure through her partner. On one forward thrust, she slipped a finger close to his virgin butthole and gently tried to massage the area there. Her fingers were wet from all the lube and wet fucking so she managed to slip one in up to her knuckle without any notice or complaint from Aaron.

Hailey's ass was as tight as her pussy, and he was enjoying the tightness. More, he was enjoying that Hailey was enjoying herself and he now has felt her finger in his ass. Sometimes Hailey would stop in mid-stroke, and move in a little circular motion. He knew she was enjoying all the sensations in her ass as he was enjoyed them in his. He started to reach around so that he could play with her clit. Suddenly, Hailey started to rock faster. Her moans were starting to grow in volume. She was really enjoying this. Soon, she was screaming as her ass was squeezing his cock. She came in waves as her ass was fucked and her clit throbbed with a pleasure never before felt.

Aaron made himself think about a basketball game trying not to come. She was rocking him hard, banging harder against his cock, finger deeper into his butt. Aaron rolled into his spasms bucking like the bronco rider jamming his spurs into the sides of his steed. He could not control himself or his cock any longer. Violent spurts poured his jizz into her butt. His back arched as he pushed deeper into her well violated hole.

Finished, he pulls his semi soft cock out and collapsed back on the bed.. Hailey falls down onto her stomach exhausted from the ride. They look at each other and come together to cuddle. Hailey thought to herself, this makes it all worthwhile.

SEXY SIMONE CAN'T STOP

Eating chocolate! Last month, I was having a really bad weekso I bought me some dark chocolate with caramel in the center. I love dark chocolate. I love caramel. But the thing for me is that dark chocolate is my aphrodisiac. I cannot explain what dark chocolate does to me. I become much more receptive to having sex.

Lick Me

I cannot explain why dark chocolate does that to me. I feel much more interested in sex and enjoy it som much more after I've eaten some. I guess that's because it increases feelings of pleasure while numbing pain by raising the heart rate while dilating blood vessels. And it elevates my mood so I can be a better sexual partner. Once my boyfriend found this out, he plied me with lots and lots of the dark stuff. Now he's also been on the prowl for new forms of chocolate for me. One day my girlfrind came over and saw all the candy boxes and asked why I had so many.
"Oh, I have my reasons..."

HOLLIE STEVENS SAYS FILL IT UP

I have to admit that I like trying new things and right now I like the thrill of having sex in public. First there is that possibility of getting caught. The fact that there is the possibility of that happening, is enough to get the adrenaline pumping! There is also the thrill of doing it in someplace new. You aren't in your same old bed at home.

Then there's the naughty aspect of it. It's the feeling of doing something you aren't supposed to be doing. I have to admit to really liking the naughty factor. That's my new modus operendi. Sex doesn't have to be the same old boring thing. I like to add a lot of spice to my lovemaking. That makes for a recipe of fun and ecstasy. And the guys like it, too!

One day I was with this guy at a mall and got a wave of naughtiness I just had to quench. We went to a store that I thought would work, and I was right; the dressing rooms were empty. I chose some clothes to pretend like I was trying on, and he followed me into the waiting area. Noticing there was nobody else there, he followed me into the changing room. We fucked in three different positions and watched ourselves do it in the mirror that was in the room. That was awesome!
